

Annex Exit - memo March 18th

This is an update/ memo to bring board and stakeholders up to speed on the project "exiting the annex"

When 18 Mar 2026
Location: online, online
Chairperson Eric Desjardins
Minute taker Eric Desjardins

Minutes

1. Work done to date

Visited annex and work through potential jobs with Colleen
Met with (Lilly) T-shirt Magic and discuss "make good" timing and scope of work
Liaise with AFF to get official list of items
Met with Jerry and starting organizing in piles of stuff
Met with builder to review scope of work and confirm timing and costs
Liaised with Ola, Ted, and Andrew Weiss regarding timing etc..
Starting emptying using personal car: kitchen empty except the piste, archives and rubbish removed from Office
Visited storage unit in Ryldamere to review all 6 boxes, assess storage need, review NSW asset register

2. Projected cost of make good: \$8 to \$10k excluding carpet

The builder suggested a professional steam clean.

But I was not able to show him the big stains as the pistes were on top and i did not want to mess the installation before the last competition.

So we may or may not need to change the carpet which will drive the costs up and add time.

+ 1 extra week to change carpet if needed.

3.3. Considerations with AFC4 gear

Get 3 pistes, scoring boxes and all spools to Lane Cove

Use AFC4 venue to consolidate everything, but also sell/discard what not needed (fans?), "freebies"

Assignee: Jeremy Morris
Due date: 16 Apr 2026

4. Misc

4.1. Where is the key for the elevator Lily (t-shirt magic) gave to Alessandra?

is there a key register of issued keys?

Tasks

- ✓ find all keys

4.2. AFF gear discrepancies / missing gear

We have potentially a costly problem with the following:

* Camera system and " IT cabinet with Video System contents (near gym) – needs to be preserved and returned.

(fixed in roof) – very expensive and needs to be professionally removed"

*FIE Ultimate Piste 2, FIE Piste 17x1.5m 3,

*Fencing Dummy Target (1 missing)

* Ipad x 2, Ipad Pro 12.9 256gb Space grey

* NSW - 3 Favero 07 box, 6 x Favero reel, 6 ground leads,

3 wireless scoring (could only locate 1 in use in Alexandria)

4.3. "Freebie" stand AFC4

Suggested a "freebie corner" with unwanted fencing items - do we expand to community?

4.4. Discard any unwanted items

talk to Gawlura about a big bin?
trip to the tip?

4.5. Long term cheaper storage / consolidation

Yearly Rental Fee Unit x6 is 7,624+GST, so \$106+GST per box per month.

This is pretty cheap storage, available with a couple of days notice.

This needs to be a wider discussion: some thoughts could still be put towards consolidation of storage.

5. Suggested next steps

5.1. Finalise discussions with Ted and Ola

5.2. Additional trolley purchase

It has been suggested 3x trolleys at \$799.66 inc. GST each

note this will increase storage by \$1,272+GST per year

5.7. Final clean up

5.8. Finalise /write off gear no longer on loan

5.9. Store AFF gear we think we will use

and more importantly what do we do with the items we don't want?
